Welcome to Love Oasis Christian Center

Love Oasis is a place where the "living waters" of the Word of God will refresh your spirit; renew your mind and satisfy your soul while His love will give you comfort and peace and bring you joy.

It has been our privilege to minister to you today and our hope that we have been a reflection of Christ in our word and deed. We invite you to come again into this "House of the Lord" where He has chosen to establish His name and where you will find an Oasis.

Yours in Christ,

L. Victor & Laura Lowery
